2019 PROGRAM

PUBLIC SECTOR CYBER SECURITY SERIES

Enabling Business Outcomes with Risk-Based Security

TORONTO MAY 2ND | **OTTAWA** MAY 3RD | **VICTORIA** MAY 6TH | **EDMONTON** MAY 8TH

What to expect

The Public Sector Cyber Security Series 2019 is a series of events Public Sector Network will run in partnership with PwC Canada. The Series will bring together federal, provincial, and municipal government, innovators, thinkers, financiers, educational and research institutions, and technology providers to network and discuss how we can achieve our goals.

We will also be developing a 'State of the Nation' report on the back of the series, to outline the key takeaways from the series. The report will be created using a combination of interviews and surveys, as well as expert opinions, and released later in the year in partnership with participants and PwC Canada.

“
Excellent event, great conversations & a platform to interact with the right government contacts & partner community.
”

“
A very relaxed ambience... customers really letting down their guards not feeling as threatened by industry and vendors.
”

“
The roadshow was a great way to see what others are up to and provides invaluable networking opportunities to further our learning.
”

“
Great event from beginning (planning) to end. One of the best events we have sponsored in terms of conversations had at booth, opportunity to promote our brand. PSN did an amazing job of event management. Well done.
